BOD Attending:	Lou Biondi, Sharon Biondi, Bob Nestruck, Terry Brandon, Roy Benner, Becky Benner and Linda Beck,		
Members Attending:	Michael Buchet		

1. Call to Order and welcome of new or current members
 - a) The August 17, 2016 Board Meeting was called to order by President Biondi at 7:36 PM. Lou welcomed member, Michael Buchet. Lou asked if anyone would like to move to add anything to the agenda for this month under ongoing or new business. Under On—going Business, Terry would like to add a discussion on completing the electrical work in the Farm House. Becky would like to add “Four Rivers” to New Business. Terry made the motion and Roy seconded. The motion carried.
2. President’s Report (Lou Biondi – Report as submitted)
 - a) Lou stated that he would like to get Board approval of the revised Mission and Vision Statements finalized by the Strategic Planning Committee.
 - b) Becky had questions about the progress of our interns. Lou gave her a quick summary on the two projects – A History of Goshen Farm Preservation Society, Inc. and the Goshen Farm Activity Book. She also asked about the road survey needed to complete the diverter work on the driveway using the Constellation Energy Grant. Bob Nestruck reported that the survey was completed. Roy will contact AACSCS to get their final survey report in order to mark diverter locations with flags.
3. Review of Minutes
 - a) The July 20, 2016 Board Meeting Minutes were reviewed. Roy made a motion to approve the July 20, 2016 Board Meeting Minutes with corrections. Bob seconded the motion and the motion carried.
4. Treasurer’s Report (Linda Beck – Report as Submitted)
 - i) Linda Beck presented the Profit & Loss Statement and Balance Sheet as of July 29, 2016. Checking account balance as of July 29, 2016 is \$20,285.84. There was a question related to the Broadstripe bill and two payments made in July. Linda will call Broadstripe and get clarification on items on the bill for which we are being billed. Terry had a question concerning the Constellation bill. The notation was actually the deposit of the Constellation Energy Grant check of \$450.00.

- ii) Becky made a motion to accept the July 29, 2016 Treasurer's report with the caveat. Terry seconded the motion and it carried.
5. Committee Reports
- a) Building and Maintenance (Dave McCormick – Report as submitted)
 - i) Becky inquired about the status of the Caretaker Cottage attempted break-in on 7/14/16. Lou stated that he contacted the detective as suggested by the officer that responded and met Lou at the Farm. He has not heard back from the detective. He will attempt to contact the detective again.
 - ii) As relates to Dave's report concerning getting bids for locating various parts of the original septic systems, Roy commented that he and Dan Tester had located pipes and various other parts of the system. He needs to share this information with Dave. This may save time and money on locating the septic systems. **(Action Item: 244-08-16)**
 - iii) Terry had a question about the latest Eagle Scout Project by Tony Tuckfield to improve the path from the CSCES to Walnut Ridge. Roy has been in touch with Tony via e-mail while Roy was out of town. Roy needs to check with Jane Cox to see if she wants to be present during the work.
 - b) Communications (Lou Biondi, Acting – Report as submitted)
 - i) Lou added that since his report he had been in contact with Jim Barcliff and he has developed a relationship with Jennifer at Color Fire. He is now able to get things posted and is able to go into the website and act as an administrator and do changes and updates normally done by Color Fire staff.
 - ii) Lou had a radio interview with Annapolis Green on WNAV. Kate Mahood also participated in the interview. Annapolis Green posts the link to this interview on their website and Lou is hopeful that this will expand our presence in the greater Annapolis community.
 - iii) Becky asked what "Throw Back Thursday" on Facebook was. Lou explained.
 - iv) Becky reminded the Board that she contacted the CSCIA and gave them all of the GFPS events for the year so the Wine tasting will be going up on the CSC Sign Board next week. She also asked Lou what other event advertising venues he has contacted. Discussion ensued. Lou said he is enjoying using and learning more about Facebook to communicate what GFPS is doing and advertise events. For example he recently discovered for \$7, he can "boost" a post and reach another 900 Facebook followers in the 21409, 21401, and 21403 zip codes. He said he tried this and it was well worth the \$7.
 - c) Events (Lou Biondi, Acting – No report submitted)
 - i) The Wine Tasting event is set for Saturday, August 20, 2016, 4 – 7 PM.
 - (1) Posters were ordered and put up by Lou, Sharon and Diane Vincent. Half sheet flyers were printed and passed out by Lou and Sharon at various events that they attended. He finalized the schedule for volunteer support and sent out a Mail Chimp message to all GFPS Members requesting volunteers. Michael Buchet updated the Silent Auction spreadsheet and generated 35 Silent Auction Item request letters which

Sharon mailed or delivered and the items are coming in from local businesses for the auction.

- (2) Michael asked about equipment needed for the Wine Tasting. Lou will e-mail Michael a list and they will discuss setting up for the event.
- ii) Fall Open House – Saturday, September 17, 2016, 12 – 5 PM
 - (1) Lou is developing a schedule and volunteers needed for this event. He is trying to keep the Open House simple and focus on education (soil health, the organic Garden and the Hoop House, apiary, tours of the Farm House,...). In the advertising, he is encouraging guests to come, grab a bite to eat and relax and enjoy the pastoral beauty of the Farm. The schedule he is developing will set tours and lectures schedules in a way that guests will not have to choose – they will not overlap. Trekki Jones and Dirk Swenk have both agreed to play at the Open House. Cape Conservation Corp is doing a children’s activity.
- d) Volunteer Coordination & Financial Development (Terry Brandon – Reports as submitted)
 - i) Terry stated that an important development was meeting with Susan Lamont, Ph.D., a Professor in the Biology Department at AA Community College in August. Terry and Bob gave her the tour of the Farm and discussed having classes or activities related to Environmental Science and Biology at the Farm. Dr. Lamont has also reached out to Amy Javit who teaches Horticulture at AACCC. These classes will take a while to implement and will probably not happen until spring. Terry emphasized that communication between GFPS and Dr. Lamont regarding AACCC classes and activities such as fieldtrips at the Farm was critical and that a GFPS representative must be present when groups come. He hopes there will also be a joint grant opportunity in the future.
 - ii) Terry and Bob will be meeting with Michelle Weisgerber from BHS tomorrow, Thursday, August 18th to discuss continued classes in the area of Environmental Science and possible use of the Farm facilities, such as the Hoop House for the upcoming Science Fair.
 - iii) Also, the Enclave Program now under the direction of Ms. Gurdui, has also been in touch with Terry to continue these classes in September.
 - iv) Linda Beck asked when the volunteers making sauce for the Harvest Dinner will be collecting the tomatoes she has set aside. Becky will be starting to make a batch of tomato sauce next week so she will contact Linda when she is ready for the tomatoes.
 - v) Terry reported that this Friday and Saturday, August 19th and 20th, My Brothers Pantry will be given 150 peppers. There will be additional peppers given to College Parkway Place.
 - vi) Lou asked Terry if in the future, GFPS might actually sell produce from the Hoop House to a restaurant or individuals. Terry stated that we are still experimenting with crop growth and rotation and weather issues in the Hoop House and are not yet ready to go “commercial” at this time. Terry is hoping

to go exclusively to hydroponics next year which would allow more varied crops to be grown at the same time.

- vii) Michael Buchet brought up his concern about having a set procedure for visitors to the farm, particularly classes from various schools. He feels that you have to get a form to the lead person in advance of the visit asking for the date and time they wish to come and then GFPS will respond that that day and time is acceptable or is not acceptable. They will then have our permission to be there. Lou stated that we need to draft a letter to the AACPS Board of Education stating that if we are required (in our lease) to accept AA County public school students at Goshen Farm then these students are indemnified by the BoE against any liability to GFPS. Roy suggested that we wait until we receive the MOU regarding liquor at events and our new lease negotiated before we approach the Board on this issue. Lou still needs to create an accident form based on the questions that our insurance carrier, Erie, requires if there is an accident. **(Action: 245-08-16)** This form needs to be available at the Farm.
 - viii) Terry reported that a group of scouts came to the Farm supposedly to drop off materials for a project they would be starting. The Eagle Scout involved had not completed the final forms on this project requested by Roy. They were actually starting when Terry met with them and they were unwilling to stop the project. They stated that Roy had been given dates they would be working and that the project had been approved by Roy. Terry stated that this is an example of what Michael is concerned about.
 - e) Garden (Bob Nestruck – Report as submitted)
 - i) Bob stated that the Garden experienced a tremendous growth of weeds due to the recent storms and that many of the plots are overrun with weeds. He is in touch with gardeners whose plots were already weed overgrown to encourage them to come up and clear their weeds. Those who do not respond will have their plots given to those on the waiting list. He will also set up a “Work Day” for cleaning up the garden area before Open House.
 - ii) Bob stated that when he starts up the monthly Garden Meetings he will encourage gardeners to think about how their crops did this year. Did they plant too much, have enough room, etc. and have a plan for next spring.
 - f) Grounds (Roy Benner – No Report submitted)
 - g) History & Research (Scott Powers – No Report submitted)
 - h) Membership (Becky Benner – No report submitted)
6. Review of Action Items
- a) Action Items were reviewed. Some were edited and updated and six were completed. **Action: 231-05-16 was deemed completed.** Sent Thank you letters to EDC and Aggregate Industries for the millings they delivered and rolled down on the driveway, parking area and the area where the two storage containers were moved. They stated that they wished to be considered Corporate Sponsors and be listed on the web site but seem unwilling or unable to produce invoices for the donated materials and work that they performed. Earlier, Roy

gave us an estimate at the April Board Meeting of what it would have cost simply to have this many truckloads of milling delivered for the driveway alone (not including spreading and rolling the millings). The estimated value of the millings was 26 dump truck loads @ \$500.00 per dump truck load for a total value of \$13,000.00 This estimate does not included the spreading and rolling done on the driveway, parking area and pad for the two storage containers. Lou asked for a motion to list these two companies as Corporate Sponsors using the estimated value. Becky made a motion to allow EDC and Aggregate Industries to be added to Corporate Sponsorships sans receipts. Bob seconded. We had a motion to Table with the concurrence of Becky who made the original motion. Motion was made by Roy and seconded by Terry and carried. This action will remain “working” until a related issue is resolved.

7. On-Going Business

- a) Linda brought up the change over to the new Quick Books Premium 2016 with a non-profit Module Program for our financial reports. She and Michael Buchet have taken a class for this and have completed the change. There are some issues with this update. First she has received a notification to pay taxes on what was sold in 2015. She will have to go back through the sales manually to determine this. She had a copy of the one Joe Poist submitted in January, 2016. Linda will call our accountant, Chris Battista with questions regarding these taxes and she will go on-line to check State requirements. This is bi-annual. She believes she needs the inventory of what we have to sell so she can keep track. Lou will send her a copy of the inventory spreadsheet. **(Action 246:08-16)** Linda also brought up the issue of “Chart of Accounts”. Now we have too many separate accounts. For example, we should have Events and then a subaccount for the specific event. Too much information has to be done manually. Linda and Michael are working with Terry Belcher to create a new format. They are also trying to determine whether to change our format now and streamline our Chart of Accounts or do this in January, 2017.
- b) Lou discussed the Constellation Energy Grant award of \$450.00 for the road improvement of installing run-off diverters to be completed September 30, 2016. Roy requested a copy of our proposal. Lou will attempt to recreate this as it was done on line and the program would not allow printing a copy this completed form.
- c) Terry suggested that we get bids from electricians to finish the electric work in the Farm House. He feels that this is a safety issue that needs to be remediated ASAP. Nothing on the reinstalled panel is marked. Terry made a motion to solicit the services of two licensed electricians to fix the electrical problems in the Farm House. This was seconded by Bob. Discussion ensued. Roy will let Dave know of this decision. The motion carried. Becky will pass on a list of licensed electrician to Dave.
- d) Board approval of The Strategic Planning Committee’s (Terry Brandon, Lou Biondi, Dave McCormick, Becky Benner, Roy Benner, Bob Nestruck, and Michael

Buchet), recommendations for the updated Mission and Vision Statements has been postponed until our September Board Meeting.

8. New Business

- a) Becky received an announcement from the Four Rivers Heritage Area for a workshop on September 15, 2016 on, "Program Accessibility: Best Practices Workshop". Robert Forloney will be there and he is working with historic sites related to meeting ADA requirements.

9. New Actions were not reviewed.

10. Final comments from the floor

- a) Roy was reviewing the list of projects that Dave is planning related to the Farm House and the Caretaker Cottage. Roy feels we need to prioritize these projects so that we do not get overwhelmed and that we have the funds to complete.

11. Lou asked for a motion to adjourn. Bob made a motion to adjourn and Terry seconded. The motion carried. The meeting ended at 10:05 PM.
