

Goshen Farm Preservation Society
Board Meeting September 21, 2016

Called by:	GFPS Board	Type of Meeting:	Board of Directors
Facilitator:	Lou Biondi	Recorder:	Sharon Biondi
Date:	September 21, 2016	Time: 7:30	7:35 PM
Location:	Cox Room, CSC Clubhouse		
BOD Attending:	Lou Biondi, Sharon Biondi, Dave McCormick, Bob Nestruck, Terry Brandon, Roy Benner, Becky Benner, Linda Beck, and Rose Mary Stocker		
Members Attending:	Michael Buchet		

1. Call to Order and welcome of new or current members
 - a) The September 21, 2016 Board Meeting was called to order by President Biondi at 7:35 PM. Lou welcomed member, Michael Buchet. Lou asked if anyone would like to move to add anything to the agenda for this month under ongoing or new business. Becky had a correction to the agenda.
2. President's Report (Lou Biondi – Report as submitted)
 - a) Lou stated that he has two additions or changes to his report. He has not had time to ask Patty Feldt to explore Liability issues that were raised at the last meeting. Lou reiterated that during the 21 Century Education Foundation Award Ceremony on September 20th he was able to discuss the MOU issue with Board President, Stacy Korbela. President Korbela stated that the GFPS MOU was on the September 21 Board Meeting Agenda. (On September 21st, President Biondi was notified by President Korbela that their Lawyer, Tyson Bennett had not delivered the MOU for consideration by the Board.) In addition to discussing the MOU issue, Lou discussed a small Goshen Farm Open House for the AACBoE with Board President, Korbela. She asked Lou to send the Board's Administrative Officer an e-mail with tentative dates and what GFPS plans to do. The Board will then consider attending. Lou also stated that the awards ceremony allowed him to make contact and have a discussion with the principals of both CAT North and CAT South. Last, Lou also stated that he was embarrassed that the 2016 Business Partner Award GFPS received at the ceremony had his name on the plaque and not those actually involved with keeping the educational component viable; Terry, Bob, and Roy.
3. Review of Minutes
 - a) The August 17, 2016 Board Meeting Minutes were reviewed. Bob made a motion to approve the July 20, 2016 Board Meeting Minutes with corrections. Rose Mary seconded the motion and the motion carried.
4. Treasurer's Report (Linda Beck – Report as Submitted)
 - i) Linda Beck presented the Profit & Loss Statement and Balance Sheet as of

August 31, 2016. Checking account balance as of August 31, 2016 is \$24,803.02. There was a question related to the Broadstripe bill and two payments made in July. Linda called Broadstripe and got clarification on items on the bill for which we are being billed. They stated that any bill that is paid after the 11th of the month incurs a late fee. Our monthly bill is \$35.28. Linda sent them two checks on August 29th and GFPS was charged with two late fees even though the payments were made by the 11th of September. The latest bill was \$55.28 which includes the \$35.28 bill plus two \$10.00 late fee charges. Linda finds this very frustrating as Broadstripe does not have a due date on their monthly bill. Lou stated that we need to consider a new vendor. Broadstripe does not give us a dated bill nor a payment due date and appears to be indiscriminately charging us late fees. Linda will make another call to firmly let them know we are dissatisfied and see what corrections are made by Broadstripe.

- ii) Becky made a motion that we accept the Financial Report for August 31, 2016. Bob seconded and the motion carried.

5. Committee Reports

- a) Building and Maintenance (Dave McCormick – Report as submitted)
 - i) Dave stated that he would like to discuss budget issues as they relate to some of his upcoming projects such as security system. He received a bid of \$2,000.00 from Scott Brunner for the security system. Dave will get another bid and present this to the Board at the October Board Meeting so we can approve the money for installing security system. Terry suggested that getting and waiting for these bids is difficult with Dave's work and travel schedule. Terry had a discussion with member, Paul Bunting is willing to make these follow up calls to contractors for Dave. Dave will contact Paul Bunting to discuss making these follow-up calls.
 - ii) As relates to the septic work, Dave contacted Statewide owner, Alvin for a second bid again and is still waiting to hear back from them. Dave will attempt to contact Statewide again.
 - iii) As relates to Dave's report concerning getting bids for locating various parts of the original septic systems, Roy commented that he and Dan Tester had located pipes and various other parts of the system. He needs to share this information with Dave. This may save time and money on locating the septic systems. **(Action Item: 244-08-16)**
 - iv) Last, Dave is still waiting to hear back from Dave Sloskey who stated that he would send us a bid for the electrical work in the farmhouse in early September.
 - v) Dave and Roy did some work on putting in switches to make it easier for turning all of the lights on in the farm House (except for the porch) by flipping a switch.
 - vi) Becky had a question about the Tenant House roof. Dave has done some repair on the roof and also used tarps to cover certain portions because he noticed leaking when he entered the Tenant House. He feels the entire

house needs plywood decking, tar paper and a new roof. He would keep it period accurate and use the cedar shingles that were donated for this roof by Annapolis Exteriors. This would need to be approved by Jane Cox. Dave believes that member volunteers could do this work. We will need a dumpster and ladders. Roy also asked about the Milk Shed. Dave thought that with low costs, this could also be done by member volunteers.

- b) Communications (Lou Biondi, Acting – Report as submitted)
 - i) Lou reported that he will report back to the Board after he meets with Tony Gallagher, Owner of Color Fire.
- c) Events (Lou Biondi, Acting – No report submitted)
 - i) The Wine Tasting event on Saturday, August 20, 2016, grossed \$4,178.00.
 - ii) Fall Open House on Saturday, September 17, 2016, grossed \$891.00.
 - (1) There was discussion by the Board about the low attendance for the Open House. Lou felt that there was enough PR for the event but there were many other events in the area and this issue is unavoidable. Becky stated that she heard many glowing compliments for the grounds, Hoop House, and Garden. Last Spring's Open House coincided with the CSC Firehouse Open House and many visitors went from one to the other. We might want to coordinate this again for next year's Fall Open House. There are ways to bring in more guests and if we can use these vehicles to increase attendance then the hours could be expanded. Becky stated that we need to have dates for all of our events by December in order to have our events on the sign board operated by the CSCIA. Terry stated that we could have more advertised children's events added to what we did this year – Kara Maddox's fall display and photo center, Sharon's bubble center, and the children's game at the Cape Conservation Corps booth.
 - (2) Roy thanked Michael Buchet for hosting additional house tours. Michael stated that his power point presentation was shortened but included more information on the garden, hoop house and soil pit, etc. which allowed Roy to concentrate on the history of the farm and the house.
- d) Volunteer Coordination & Financial Development (Terry Brandon – Reports as submitted)
 - i) Mr. Bem is continuing his AP Science classes next week for two days a week. They want to do projects with the Bee Hives, the woods, soil pit, etc. related to the upcoming Science Fair. In addition to Terry, Bob and Roy, member Virginia Burris has volunteered to help by being at the Farm for Enclave classes. There are other members Terry is planning on recruiting. Lou emphasized that we need to recruit more members to support each committee. Each committee can break down committee responsibilities into tasks that need to be covered throughout the year and find volunteers for those individual tasks and this will be less intimidating. Lou will try to document this breakdown for each committee.

- ii) Lou will create an accident form based on the questions that our insurance carrier, Erie, requires if there is an accident. **(Action: 245-08-16)** This form needs to be available at the Farm and in the “drop box”.
 - iii) Terry reported that a group of scouts came to the Farm supposedly to drop off materials for a project they would be starting. The Eagle Scout involved had not completed the final forms on this project requested by Roy. They were actually starting when Terry met with them and they were unwilling to stop the project. They stated that Roy had been given dates they would be working and that the project had been approved by Roy. Terry stated that this is an example of what Michael is concerned about.
- e) Garden (Bob Nestruck – Report as submitted)
- i) Bob stated that the Garden got the compost uncovered and now have 5-6 yards of compost for use on the Garden.
 - ii) Dan Perry has been helping to clean the abandoned plots that were overgrown. The gardeners worked on their own plots and cleaned them up. The result was the Garden looked great for the Fall Open House.
 - iii) There are 6 Garden plots available and a waiting list. Bob is in the process of contacting those on the waiting list.
- f) Grounds (Roy Benner – No Report submitted)
- i) Roy did a brief summary of the Eagle Scout Service Projects he is overseeing. Scout Troop (2214) Leader, Patrick Marsh will be helping Roy to assist in monitoring these Service Projects and interfacing with the scouts throughout the process. Scouts are required to complete a Service Project in order to move up to Eagle Scout. Roy passed around a preliminary drawing of Steve Engel’s sign for the entrance (Crownsville Troop). Roy will make a call to check with permits on the size of the sign. His drawing shows an 8 foot two-sided sign.
 - ii) Roy spoke with Terry Stockwell, Customer Relations person for Constellation Energy concerning our \$450.00 Grant. We have not yet received the diverters needed to install for the driveway runoff project. She said that we can have extensions on our grant and Roy’s call gave us several months’ extension on completing the project.
 - iii) Lou suggested that widening the driveway under **Needs Accomplishing** in Roy’s report be moved to Long Term Projects as we are not in a position either financially or planning wise to do this in the near future.
 - iv) Lou suggested that GFPS should consider adding an Education Chair. In Roy’s report he has “contact Congressman Gilcrest... regarding educational lesson plans...” Lou believes that Roy has enough to do as Grounds Chair and this task would better fit an Education Chair. The Board will consider this.
 - v) Lou also reminded Roy and all Board Members that when something beneficial happens such as Sam Synowezyski helping to repair the large Gravely, the small Craftsman riding mower and the Ford Tractor. And Steve Noll donated a self-propelled Toro mower, send him pictures and a short

write up. He will then post these on the GFPS Facebook page. So important to growing interest in GFPS and our membership!

- g) History & Research (Scott Powers – Report as submitted)
- h) Membership (Becky Benner – Report submitted)
 - i) Becky reported that we have a total of 163 memberships and 23 memberships for 2017. She is gearing up for sending out membership renewal forms for 2017. Expiration date for membership is December 31, with a one month “grace period”.
 - ii) Becky attended the Four Rivers Heritage Education Committee meeting. The main topic was “working with interns”. Becky thought this was timely and has forms provided by Historic Annapolis which has been working with interns for 10 years. Based on these forms, Becky feels there are fields that should/could be added to Goshen Farm’s *Service Project Application*. Janet Hall has sent her a complete packet of the forms and their process for considering interns. See Membership Report for details.
- 6. Review of Action Items
 - a) Action Items were reviewed. Some were edited and updated, two were marked OBE and five were completed.
- 7. On-Going Business
 - a) Roy has been in touch with Rick Glass who has a drone. He is working with Rick to get an aerial composite view of the entire 22 acres of Goshen Farm.
- 8. New Business
 - a) Approval of new Mission Statement and Vision Statements.
 - i) Terry moved we approve the new Mission and Vision Statements. Sharon seconded the motion. Michael Buchet stated that he believes the Mission statement should read ... is to restore, preserve, and promote Goshen Farm”. After discussion it was agreed that the word “protect” should be “promote” based on the previous committee meeting. The committee concurred that “promote” was accurate. The motion carried. Lou stated that working on this committee has been a pleasure.
 - b) Michael Buchet asked to introduce a new business item. Michael stated that the Farm House was his topic. The Bilco door leading to the cellar needs to be replaced with a new door. He believes volunteers can do this. Dave M. had a question about historic issue when replacing. He also stated that CAT North stated they can do wood projects at the school. He would also have to drill holes in the 1960 section of the house to hold the doors open. Dave’s suggestion is that he make a temporary repair to the current door and then Dave will send a request to CAT North to build a Bilco equivalent in the spring. Dave will also send Jane Cox an e-mail regarding this replacement. **(Action Item: 247-09-16)**
- 9. New Actions were reviewed.
- 10. Final comments from the floor
 - a) Dave reminded the Board that if they have ideas for items to be completed by CAT North, please email these to him. Dave has a lead on ready-made trusses

that could be used to complete a roof over the area between the two storage containers. It was decided that these trusses would be too large for this project.

11. Lou asked for a motion to adjourn. Bob made a motion to adjourn and Becky seconded. The motion carried. The meeting ended at 9:33 PM.
