<b>Location:</b>	Cox Room, CSC Clubhouse		
<b>BOD Attending:</b>	Lou Biondi, Sharon Biondi, Dave McCormick, Bob Nestruck, Linda Beck, Roy Benner and Becky Benner		
<b>Members Attending:</b>	Stephen Stocker		

- 1 Call to Order and welcome of new and current members
  - a) The January 25, 2017 Board Meeting was called to order by President Biondi at 7:35 PM. Lou welcomed member, Stephen Stocker.
- 2) Review of Agenda
  - a) Lou suggested we alter the agenda with flexibility to allow Stephen Stocker to conduct his specialty coffees' tasting related to the upcoming event – Java and Jazz/Tea and Tunes. Stephen has created these two specialty coffees for our tasting and approval for serving at the event.
  - a) Lou stated that the agenda is full but if there are pressing items to add please state them. Becky asked to add the item dealing with CSC Garden Club in cooperation with the Cape Conservation Corp's interest in sharing expenses with GFPS for a program with a documentary and speaker that would include attendees from all three groups. The Board concurred with the addition.
- 2 Review of Minutes – December 21, 2016
  - a) The December 21, 2016 Minutes were reviewed. Roy made two corrections. Roy Benner made a motion to approve, Bob Nestruck seconded and the motion carried.
- 3 Treasurer's Report (Linda Beck – Report as Submitted)
  - a) Becky had a comment and question concerning Broadstripe billing. The checking account balance as of December 31, 2016 was \$28,984.05. Bob made a motion to accept the Treasurer's report for December 31, 2016 and Dave seconded. The motion carried.

- 4 Committee Reports – (no reports submitted) Lou asked for an oral update since the January 18, 2017 Annual Membership Meeting.
  - a) Grounds (Roy Benner)
    - i) Roy reported that he began tackling the large Silver Maple sections in the Farm House yard that resulted from the Maple being cut down. He and Terry have been splitting the wood. He asked for guidance on pricing and selling the wood. Lou stated that as Grounds Chair he has the authority to decide that. Roy will let Lou know when he is ready to sell the wood so Lou can put a “blast” out to GFPS Members and Face Book posts to Members and the community. **(Action Item: 255-01-170)** Anyone who is interested will be instructed to send an e-mail to Terry Brandon and Roy Benner to arrange pick-up.
  - b) Membership (Becky Benner)
    - i) Becky reported that since the January 18, 2017 Annual Meeting she had 2 more memberships come in so we now have 101 unit memberships.
    - ii) She has also been sending e-mails to gardeners who have not paid either the plot rental fee, membership fee, or both. She has had 5 gardeners respond with payments.
  - c) A break in committee updates was called so that Stephen could serve one of his specialty coffees – “Farmhouse Moonshine Coffee”. Stephen passed out a Sheet giving the names and recipes of his two specialty drinks (Attached). The thought behind the coffee drinks was to keep the ingredients local whenever possible. The corn whiskey used is from the Lyons Distillery in St. Michaels, MD. The Barkeep lavender organic bitters are local. He hopes to use honey (for the whipped honey sweetened cream) from the Goshen Farm Apiary in the future. The Board enjoyed and gave feedback on the “Farmhouse Moonshine Coffee”. The coffee was served in Mason jar mugs engraved with “Goshen Farm” that Stephen purchased.
  - d) Communications (Vacant)
  - e) Events (Vacant )
  - f) Financial Development/Volunteer Coordination (Terry Brandon )
    - i) Terry discussed changes to the enclosed front porch of the Farm House (which is being used for some classes) from an educational perspective. He would like to have windows that look out on the farm vista that can open and close. It would be a more pleasant setting for our classes and a more attractive entrance into the main house.
    - ii) Terry is now one of three Board Members sharing the responsibility of attending the monthly Integrated Community Stakeholder Team (ICST) at Broadneck HS that Lou was attending for the last two years. Terry discussed some of the topics of this meeting. Terry stated there was a woman he met from Department of Natural Resources who has three sites where they are doing programs –a wildlife inventory, an early childhood project with nature “play spaces”, and other programs. Terry suggested we might want to investigate further. There were several young men who introduced their Capstone Projects (similar to our Eagle Scout Projects). He reported that there was a lot of interest in Goshen

Farm's Garden plan to add garden plots that would be handicapped accessible. Terry felt that being a part of the ICST was important because the educational system is becoming more interested in projects related to the environment that would be a good fit for Goshen Farm's involvement.

g) Building and Maintenance (Dave McCormick)

- i) Roy met Dave Sloskey, Connect Electric, at the Farm and Dave completed the electrical work at the Farm House. The work was completed on Tuesday, January 24<sup>th</sup>. Dave will check the invoice before he gives the Treasurer authorization for payment. The Board was pleased to hear this work was completed!
- ii) Terry brought up the issue of the upper stairway bannister and dowelings that were destroyed by vandals. He feels that we need to replace this by something; possibly temporary, soon for safety reasons. Roy attempted to contact Mike Maggio to see if he would do some small projects and ask him about some other matters but was not able to reach him. Sharon mentioned that Skip Doda had done some work on the stairwell dowelings in 2015. Short term solutions were discussed. Roy will make a temporary fix.

h) Garden (Bob Nestruck – Report as submitted)

- i) Bob reported that the Gardeners had begun the work of power washing the Garden fence on the inside. Roy recommended that it would be easier to remove the inside pickets, power wash the outside pickets and then paint the outside pickets. The inside pickets could be power washed after they are off and then save them as replacement pickets when needed.
  - ii) Bob stated that they did purchase the LED light and it is on the side porch area charging. They will test this one and if it works well then purchase several more lights.
- i) The Board took a second break to taste the second specialty coffee – “Plowman’s Tonic”. Stephen noted that there was no local vendor for the Chocolate liqueur. The Board commented that there is plenty of mint growing at the Farm for use in this drink. This second coffee was also delicious. It was decided that these two beverages be included and sold at the Java and Jazz Event for \$5.00 per coffee. The Board thanked Stephen for his initiative in coming up with these specialty coffees to help raise funds for GFPS

5 On-Going Business

a) Scope and responsibility for GFPS events for 2017

- i) Lou stated that he is anxious to get duties and planning details completed tonight due to the short time before Java and Jazz and the Spring Open House.

(1) Java and Jazz/Tea and Tunes – March 12, 2017

- (a) Lou passed out a Java and Jazz planning sheet (attached) and walked through the activity, the action required, and the responsible person(s). He suggested that we cut the menu back. It was suggested that we have fruit trays, veggie trays, humus with crackers, cheese and salami with crackers, hot bourbon meatballs, and sweets. We will

have coffee, tea, water and specialty coffee drinks. As far as the glass coffee mugs Stephen used, we felt that they would be too expensive for the event. Linda will investigate Vista Print and a site Michael has used and the cost. Generally, we will use Styrofoam cups. We have the Clubhouse and the band. He is working on contacting event sponsors for dollar donations or food donations. Bob mentioned that Karen Hodges put up flyers for the Harvest Dinner and may be willing to do flyers for this event. Bob will contact Karen and ask her. Lou will have the flyers ready in about a week and a list of locations. Lou went down the planning list and asked for volunteers and then put them on the planner. We will rent the CSC Sign Board for seven days.

(2) Spring Open House – April 22, 2017

- (a) How extensive should it be? Becky suggested that we contact DNR to see if their Scales and Tails or Raptors Programs could be booked for the Spring Open House for 2 presentations. She also suggested that we invite other groups from the community to participate but they have to be there to man their tables. We should still include food and beverages at the Open House. The Board agreed that Becky should contact DNR and book Scales and Tales or the Raptor Presentation for two shows at the Spring Open House. **(Action Item: 256-01-17)**

(3) Spring Open House – April 22, 2017

(4) Strawberry Festival – Saturday, June 3, 2017

(5) Wine Tasting – August, 2017 (tentative)

(6) Fall Open House – September 16, 2017

(7) Harvest Pasta Dinner – October 14, 2017

- (a) Terry booked Gloria Dei Church for October 14<sup>th</sup>.

6 Action Items were not reviewed

7 New Business

- a) Becky stated that she was approached by the CSC Garden Club concerning a woman who has done a 90 minute documentary about native plant landscaping, called “Home Town Habitat”. The Club would like to make this a joint venture with the Garden Club, Cape Conservation Corp and GFPS. The film costs \$300.00 if you have between 50 and 200 people. If they have the woman speak that is another \$200.00 and if the CSCIA Clubhouse is used, there is an additional fee. So the total cost would be close to \$1000.00. This program would be in late March or early April. The Garden Club asked Becky to approach the Board to see if we would be willing to participate and contribute \$175.00. She feels we have so many events with GFPS at this same time period that it is not feasible. Terry did not feel that the topic of the presentation fits a large number of our membership’s needs at this time. There was more discussion. There was a vote and it was decided that this particular presentation does not meet our “Vision and Mission”. GFPS does wish to partner with the Garden Club and Cape Conservation Corp in the future on a topic that is a better fit.

- b) Terry discussed his upcoming project with AACC – “Campus that Cares Week”. With Dr. Jessamy Rango, Professor at the Biology Department (Environmental Science Students). Tresa Ballard, of the Service Learning Office, will bring 24 students on Tuesday, April 25, 2017 to perform work projects designated by GFPS Board. Terry gave us a list that he, Roy, Terry and Dean Cowherd created. (Attached) Dr. Rango will be meeting with Roy, Terry, and Bob on Friday, January 27<sup>th</sup> at 1:30 to discuss the projects and the work day. Lou will be at this meeting if possible but he suggested that our planners pair up tasks to the amount and difficulty of the tasks. For example, work on the Soil Pit would require physical strength; spreading mulch not as much. He also suggested that if AACC has a PR person to video the event that would be a plus. If Maureen Thomas from the Capital can be encouraged to come out and write up an article that would be a plus – 2 Broadneck organizations working together. Bob has a neighbor who is part of the PR Department at AACC and he will ask him. Lou will contact Maureen Thomas. Terry gives credit to Dean Cowherd’s work with Soil Health and his discussion with AACC instructors and professors. Becky suggested contacting Sandra Olivetti Martin at Bay Weekly – she may need something related to Earth Day for Bay Weekly. **(Action Item: 257-01-17)**
- c) Lou commented that the addendum to our lease was held up waiting for the Maryland Hall Director to return from her trip, look over and comment on the addendum. The BoE Meeting will be February 1<sup>st</sup> at 10 AM.
- 8 Final comments from the floor
- 9 Lou asked for a motion to adjourn. Linda made a motion to adjourn and Dave seconded. The motion carried. The meeting ended at 10:30 PM.
