*Event Sponsored by Bella's Liquors*

## Thank you Bella's Liquors!

It is with great appreciation that the Goshen Farm Preservation Society acknowledges the sponsorship of its annual Wine Tasting by Bella's Liquors in the Cape St. Claire Shopping Center for the last 14 years. The generosity of C.G., Val, and now Julianne, in supplying the food and drinks for this event has made this the single largest fundraiser for the Society. Please support Bella's the way they support the community in so many ways.

The Society also would like to thank all of the businesses and individuals that have contributed items for the Silent Auction. Some are new this year. Others have supported the Society for a decade. Some of the businesses are large and some are small, but they all make our community a great place to live, work, and play.

Last but not least, the Society thanks the many volunteers who make this event possible. They are your friends and neighbors working hard to keep this 22-acre jewel viable and an asset to the community. Please consider joining us in this labor of love. Become a member of the Society and get involved in preserving local history.

Thank you and enjoy the event!
